14/06/2016

Today you are receiving a box of Cadbury fundraising chocolates to help raise funds so we can continue to keep your season fees at an affordable price.

As of this current winter season, the SBA increased the cost of the team sheets and also registration fees. At the moment the basketball club is wearing the extra costs associated with getting the teams on the court each week.

Next winter season in 2017 the SBA will once again increase their fees and also Salesian college may increase hire costs of Lakeside stadium to the club this coming summer season.

The easiest thing would have been to increase your fees this season and then increase fees again in the 2017 winter season, but as a committee we believe in keeping basketball an affordable sport for all.

What I'm asking each and every one of you is to help not only the basketball club, but yourselves as well to sell the chocolates so we can try and keep your fees at \$150 per season. The cost of the chocolates is \$50 per box or \$1 per chocolate. Could you return all monies back to the club by the first week back at training in term 3 please. The family that sells the most boxes will be awarded with village movie tickets. Extra boxes will be available from Mandy if you want to sell more.

We the committee appreciate your support in helping out with this fundraising drive.

Kind Regards.

David Tweedly

President Rupertswood Basketball Club Inc.

Promote healthy sporting participation and competition for young people within the Rupertswood and surrounding communities.

Provide a positive environment for young people to develop as well-rounded human beings through sporting pursuits.
